

Hiring Manager Checklist: Expediting Time to Hire

How can you make your selection within 15 days to meet OPM's T2H Measure? PLAN AHEAD! There is no need to wait until you receive your certificate of eligibles to plan and schedule calendar placeholders for your interviews. Follow this checklist to ensure timely scheduling of your interviews and selection of your ideal candidate.

CONTACT YOUR HR SPECIALIST

Contact your HR Specialist to discuss general timing on when certificates will be issued. There are many factors driving the issuance of certificates. Your HR Specialist will provide you with a general timeline that is specific enough to allow you to plan and schedule your interviews with your identified panel members. Please access the [Supervisor's Toolkit](#) for more information on the [9 Steps of the Hiring Process](#), to include what actions and documentation are required at each step throughout the process.

BEFORE ANNOUNCEMENT OPENS

Select Interview Panel Members and Prep Interview Questions

- Check to see if your office/bureau has a policy or specific requirements for interviews
- Identify panel members and verify availability
- Prepare the interview questions and scoring criteria

WHILE ANNOUNCEMENT IS OPEN

Pre-Schedule Interview blocks

- Request day and time availability of panel members for interviews (recommend adding a back-up option in case it is needed)
- Determine if interviews will be virtual or in-person

Keep in mind that these interview tips are useful for both in person AND virtual interviews over Microsoft Teams, Zoom, etc.

- Create a shared folder and add the position-specific documents to it (Position Description, Job Analysis, interview questions, etc.)
- Share folder with all panel members
- Create calendar invites to block off days and times for the interviews; link shared folder above in calendar invites
- Reserve conference rooms and bridge lines if needed

Who will be responsible for reference checks?

- Decide who will be completing reference checks
- Identify questions to be asked
- Schedule a day within the 15-day metric and schedule the time to complete the reference checks
