SIGNATURE & RULES OF BEHAVIOR

I, the undersigned, understand that use of the Interior Business Center (IBC) Computer Systems and/or Automated Information Resources or access to any information therein, shall be limited to official Government business directly related to my assigned duties. Further, I understand that any use of the aforementioned systems of information that is not official Government business may result in disciplinary action consistent with the nature and scope of such activity. Activity that is considered "not official Government business" includes, but is not limited to, viewing records that are not connected with my official duties and/or accessing/viewing my own employee record without prior authorization or justification from my management chain. I have completed the DOI Federal Information Systems Security Awareness Training and have been provided with and have read the "Rules of Behavior for Interior Business Center Users of Information Technology Resources"; I understand these Rules of Behavior and agree to comply with these Rules. I will report any violation of these rules to my supervisor.

Privacy Act Statement: Solicitation of your Social Security Number (SSN) is authorized by Executive Order 9397, which requires agencies to use the SSN as the means for identifying individuals in personnel information systems. Your SSN will only be used to establish your access to the HR System requested. Furnishing your SSN is voluntary and failure to do so will have no effect on you. However, where individuals decline to furnish their SSN, the SSN will be obtained from other records in order to process the request for access.
