### Announcing...

#### IBC Drug & Alcohol Branch Quarterly Newsletter

We are happy to announce the launch of our quarterly newsletter. The intention is to keep you informed of happenings here at the Branch, updates to regulations, and any other drug testing news that may spark your interest.

### Thank you

#### FY16 Interagency Agreements

Thank you to those customers that have returned their signed Interagency Agreement (IAA) and provided the funding information for FY16. IBC requires an Interagency Agreement be established each fiscal year. The IAA is the document that outlines the services the Drug & Alcohol Testing Branch will provide and how much your Agency will pay for those services. If you have questions or still need to sign or provide funding information, please contact [Alandra R Harley-Stuckey@ibc.doi.gov](mailto:Alandra_R_Harley-Stuckey@ibc.doi.gov)

### Main Interior Building Collection Room

#### Need to send a donor over?

The Drug & Alcohol Testing Branch runs a collection site inside that Interior Department Headquarters building at 1849 C Street NW in Washington, D.C. Before sending your donor, send the Branch an email message ([IBCDrugTestingStaff@ibc.doi.gov](mailto:IBCDrugTestingStaff@ibc.doi.gov)) and let us know the donor's name and type of test (random, pre-employment, etc.). Once the donor's collection takes place, you can view the status of the test at <http://doi.edrugtest.com>.

The Interior Business Center offers business solutions to create efficiencies and economies of scale for the Department of the Interior as well as other federal agencies. Please visit our website at [www.doi.gov/ibc](http://www.doi.gov/ibc) to learn more about our services.
